MEDIA RELEASE Jan 13th 2012

BUFF VOLLEYBALL: IT'S ONLY NATURAL

The folks at Lake Como say: "Volleyball is a game best played nude." Huh?

This year, Lake Como celebrates its 11th annual Super Bowl South Nude Volleyball Tournament: 10 days of nude volleyball heaven featuring all levels of 3, 4 & 6 play on nine courts, both sand and grass, March 2–11, 2012, in its West Grove Sports complex—which also includes five professional clay tennis courts.

Offering AA to C play with B & C being mostly coed. Fri is Ladies Tournament play. Bring your own team or get into the play from a sign-up sheet. Each day there are mini round robins, semi finals and then finals. On the last Sat there are tournament round Robins. Playoffs and then Championship games on Sun bringing it to a close.

Wait a minute: nude volleyball? What's that all about?

Lake Como is Florida's oldest Family Friendly nudist resort, established in 1941. Nudist resort? So I have to strip off at the gate? Not really. Nudity is required on the courts (unless the judges call it for extra cold weather or a medical condition) and water activities, but you don't have to be nude all the time, although you may soon want to be.

Lake Como is a 200 acre nudist cooperative with 111 acres of nature (woodland and wetland) and extensive Hiking trails. Lake Como is proud to be a designated Stewardship Forest and National Wildlife Federation Certified Wildlife Habitat—its nudist and naturist.

It's also affordable: the 4-day tournament plan (the last 4 days of the tournament) is only \$102.00 per person if you're tent camping; or \$158.00 for a couple sharing a tent. This gives you access to all the resort facilities like the pool, hot tub, sauna, and tennis and other game courts.. Bring your own food, or eat at the onsite restaurant. Housekeeping cabins with full kitchens, motel rooms, and RV sites are also available and reasonably priced for this special event. We can accommodate many RV's; however, the motel accommodations are reserved a year in advance of this great tournament!

For college students, there is a special rate: \$74.00 per person for the 4-day plan, with tent camping.

Lake Como is located in Land O' Lakes within a mile of US 41 and SR 54 just north of Tampa, and is affiliated with the American Association for Nude Recreation, The Naturist Society, and the International Naturist Federation.

Expand your vistas, and experience the natural life. Benjamin Franklin, David Thoreau and Theodore Roosevelt might tell you: there no experience more elemental and spiritual than stretching your arms naked to the morning sun. Add in volleyball...what more do you want?
